UNESCO World Heritage Site.
World's richest deposit of dinosaur bones;
hauntingly beautiful badlands;
rich riparian habitat teeming with wildlife

- 1 Dinosaur Provincial Park — Oasis in the prairies. Great place for camping, watersports, and bird watching
- 2 Kinbrook Island Provincial Park — Located 8 km SW of Bassano. Provides a scenic view of the river valley and dam. There is a picnic area and group tours of the dam can be scheduled through the EID
- 3 Bassano Dam — There is a picnic area and group tours of the dam can be scheduled through the EID
- 4 Brooks Aqueduct — Open May 15 to Labour Day Weekend. 7 Days a Week, 9 am - 8 pm
